Sir:

In response to the Restriction Requirement of September 29, 2005, Applicant elects to prosecute Group I: Claims 1-8, drawn to a method of making a display device in the above-identified application.

The Examiner is further requiring a species election. Accordingly, Applicant elects to prosecute Species Ic: Claims 7-8, the specifics of the method comprised of particular and distinct steps directing to an embodiment comprising Claims 7-8, in the above-identified application.

Applicant is making this election and canceling the non-elected claims without disclaimer or prejudice to filing a divisional application on the non-elected claims and/or species.
